

Cookie & Privacy Policy

Please read the following carefully as it contains important information relating to the details you give us. You should show this notice to any other party related to this insurance.

Who We Are

SunLife Pet Insurance is provided by BDML Connect Limited who arrange and administer the policy. When you provide information to us, you are giving your information to BDML Connect Limited and its subsidiary companies.

In this information statement, 'we' 'us' and 'our' refers to BDML Connect Limited and its subsidiaries unless otherwise stated. By submitting any information about you and, where applicable, others within our website at www.sunlifepetinsurance.co.uk you and they consent to its use as set out in this Privacy Policy.

BDML Connect Limited are part of the Markerstudy Group of Companies and are committed to protecting and respecting your privacy.

This policy explains how we use any personal information we collect about you when you use this website.

What information do we collect about you?

We may collect and process the following data about you:-

- Information that you provide by filling in forms on our site. This includes information provided at the time of registering to use our site, subscribing to our service, posting material or requesting further services. We may also ask you for information.
- If you contact us, we may keep a record of that correspondence.
- We may also collect information when you voluntarily complete surveys that we use for research purposes, provide feedback and participate in competitions.
- Details of transactions you carry out through our site and of the fulfilment of your orders.
- Details of your visits to our site (including, but not limited to, traffic data, location data, weblogs and other communication data, whether this is required for our own billing purposes or otherwise) and the resources that you access.
- We may collect information about your computer, including where available your IP address, operating system and browser type, for system administration and to report aggregate information to our advertisers. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

How will we use the information about you?

We collect information about you to process your requests and orders or to advise of changes and updates to our website.

We use your information collected from the website to personalise your repeat visits to our website.

We may disclose or transfer your information to other companies, data processors or agents employed by us to perform any necessary functions on our behalf, but they are bound by our Privacy Policy and may not use this information for their own purposes.

We will not share your information with other companies within our group or third parties for marketing purposes.

Marketing

We will not use or process your personal information for any marketing purposes.

Access to your information and correction

You have the right to request a copy of the information we hold about you. If you would like a copy of some or all of your personal information, please write to us. We may make a small charge for this service.

We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate.

Cookies

Cookies are text files placed on your computer to collect standard internet log information and visitor behaviour information. This information is used to track visitor use of the website and to compile statistical reports on website activity.

We may at one time or another use three types of cookies on our website

- Session cookies that are deleted after each visit
- Persistent cookies that remain in place across multiple visits to our sites
- Third party cookies that are used by our approved business partners.

Google Analytics – This cookie enables us to access all web traffic. This means we can improve your browsing experience by making informed decisions from the user data collected.

Google conversion code – Our website may use conversion code tracking to establish whether an advertisement has driven an enquiry.

Remarketing – We may use remarketing advertising to deliver targeted advertising messages to users that have previously shown in interest in our website. We apply strict rules to our remarketing campaigns so you will only receive targeted messages and do not receive multiple advertisements.

Data capture – The enquiry forms within our website capture a user's data prior to form submission. This is so we can further improve the user journey and also perform a customer service call (if needed) to ensure the user had obtained all of the information required from our website.

For further information visit www.aboutcookies.org or www.allaboutcookies.org.

You can set your browser not to accept cookies and the above websites tell you how to remove cookies from your browser. However, in a few cases some of our website features may not function as a result.

Other websites

Our website may contain links to other websites. This Privacy Policy only applies to this website so when you link to other websites you should read their own privacy policies.

Changes to our Privacy Policy

We keep our Privacy Policy under regular review and we will place any updates on this webpage.
